# HOT STOCKING 2017

Sometimes it's all about the legs, and sometimes it's much more! HOT Stockings has it all, from sophisticated Stockings to our strappy Body Stockings, or sheer Teddies that will heat up the night! New looks for HOT Stockings 2017 include an animal pattern mesh, strappy knits, fetish inspired fishnet and racy open front Body Stockings.

Each style and color comes beautifully packaged with a gorgeous photographic display of the garment front and back. The price points are amazing and the sell through is fantastic!

Every garment is quality crafted to flatter a woman's body in form fitting ways.

And while our designs are fashion forward, our uncompromising standards are rooted in our history. We have been delivering high quality Hosiery at a fair market price point since 1948.
